

REDDIT IS A DNC FRONT

- Why was Daly City CEO taken out? Why was Aaron Swartz taken out?
- Huge numbers of users call "Censorship" on Reddit, many leave to Voat and other competing outlets.
- Charged as being a PR front for Elon Musk and Silicon Valley Campaign billionaires
- All negative stories about Musk, Silicon Valley VC's and DNC down-ranked or removed...just like at Google. GOP calls Reddit: "The Lois Lerner of websites".
- Mainstream media calls Reddit homeland of "Perverts" - Washington Post
- "The Riot at Reddit": What is going on behind the curtain?
